## APPLICATION FOR A 13+ SPORTS SCHOLARSHIP

(Information for parents of candidates)

A practical assessment will take place at St Teresa's Senior School on

**Thursday 21<sup>st</sup> November 2024**

**from 1.00pm to 4.00pm**

Sports Scholarships may be awarded to candidates who have a proven high level of sporting ability and potential. Candidates should apply for a General Sports Scholarship if they demonstrate a high standard in two or more sports; **which must include at least one of our main school sports of hockey, netball or swimming**. Specific Sports Scholarships may be applied for if the candidate has reached an exceptional standard in one sport specifically. Please note we will only consider specific sport scholarships in the following sports: Netball, Hockey, Swimming, Cricket or Athletics/Cross Country. Candidates who have reached an exceptional standard in a sport not listed should email the Director of Sport on [e.buckett@st-teresas.com](mailto:e.buckett@st-teresas.com) for further guidance. Tennis and Equestrian scholarships should be applied for separately to our Tennis Academy or Equestrian Centre.

Candidates will be practically assessed on the day with a number of aspects being taken into consideration; fundamental movement skills, spatial awareness, decision making, application of appropriate skills in pressured situations and, physiological testing. All candidates will be assessed in hockey, netball, swimming and cricket and, will be fitness tested with our S&C specialists, including those who have applied for a specific scholarship. Candidates will also be interviewed by the Director of Sport as well as having informal discussions throughout the afternoon with relevant Heads of Sport.

If awarded a Sports Scholarship at St Teresa's, candidates are expected to progress in their chosen sport(s), represent and prioritise the school in competitions, be role models and play a full role in developing sport at St Teresa's. We also expect a full commitment to the Sports Scholarship programme which is designed to inspire, educate, evolve and develop the scholars.

Sports scholars at St Teresa's are performers who have a genuine desire, work ethic and belief in sporting excellence. The key characteristics of a sports scholar should encompass the following attributes; attitude, ambition, communication, leadership and organisation.

The Department reserves the right not to award scholarships in a particular year. Girls will be eligible for scholarship examination/interview only if they are committed/firm candidates for the Senior School. Scholarships are subject to review and may be withdrawn if the scholar fails to meet the required standard or level of commitment. A major review will take place at the end of Year 11. Please be advised that we are unable to give feedback on unsuccessful scholarship applications.
