

Life Safety Fire Risk Assessment Certificate of Conformity

This certificate is issued by Assurity Consulting in respect of the Fire Risk Assessment provided for:

Effingham Schools Trust

Site address: St Teresa's, Beech Avenue, Dorking, RH5 6ST *

* Please refer to the building information section of this fire risk assessment for full details of areas covered within this risk assessment

The aim of this Fire Risk Assessment is to identify any significant fire risks in the workplace and workplace activities that could cause harm to people. The five-step process of the fire risk assessment is:

- Step 1: Identify the hazards
- Step 2: Decide who might be harmed and how
- Step 3: Evaluate the risks
- Step 4: Record the findings and actions taken
- Step 5: Review the assessment

	Certificate number:	67628/1
