There is easy access to London by road or rail; both Gatwick and Heathrow are within 45 minutes' drive. Own transport to/from the school is required as there is no public transport available.

Facilities

The school is centred around the original eighteenth century manor house, which has evolved over the years and now proudly boasts some outstanding facilities.

A number of facilities are provided to meet the needs of a modern education. These include a new Sixth Form Centre, Equestrian Centre, Tennis Academy, a Performing Arts Centre comprising a large theatre, drama studios, music classrooms, practice rooms and recording suite. In addition, pupils at St Teresa's enjoy a swimming pool, all-weather pitch and impressive playing fields.

The Vision

In 2019, neighbouring and complementary schools St Teresa's and Cranmore came together to form Effingham Schools Trust (EST), based on a diamond model – a powerful and exciting educational proposition, delivering all the advantages of both single sex and co-education to girls and boys. The partnership has proven incredibly successful, providing new opportunities for pupils of all ages, and bringing strength and stability to both schools.

EST is delighted to be able to build on this success with the announcement that Manor House School joined the Trust from September 2023, forming a dynamic educational triumvirate. Three modern, progressive schools, Cranmore, Manor House and St Teresa's each have enviable track records, delivering best practice teaching to their pupils, whilst maintaining exceptional pastoral care.

The new partnership will allow each school to focus on its strengths whilst retaining its individuality, presenting to all pupils an extraordinarily rich variety of shared events, facilities and resources to provide a distinctive and distinguished education for pupils of all faiths and backgrounds.

EST's diamond model will offer the benefits of the co-ed classroom to very young pupils, the benefits of the single sex classroom in later prep and secondary years, before finally returning to co-education at Sixth Form. This method reflects and acknowledges that girls and boys approach their learning in differing ways at different developmental stages
